Fund-Raiser

The proceeds from this event will benefit the Catholic School Parents' Association (CSPA). The CSPA's fundraising activities earn money that will be sent to the parishes where CSPA members' children attend grade school. This money helps support these parishes in running their schools, an expensive undertaking. In return for this the CSPA families receive the Parish Investment Rate, which lowers tuition for their children that attend the parish school. For St. Cecilia's, this means that we retain our parish families who may otherwise join another parish in order to make tuition more affordable.
